Come sit on Santa's lap little girls.

I knew that CL Society membership would pay off.

OK boys, only one picture, then get lost!

Where's my damn contact!

We were in the library studying all weekend. Mom!

Steve, the next time you "accidentally" drop your napkin on her lap, will be the LAST time!

Yeah, yeah, sure you do. Buh-bye!

This suit is not pink! You have a color deficiency!

Can you say Blindspot boys and girls?

No, that's not lipstick on my cheek Mrs. Clause.

Its a good thing we groomed this morning.

Brains and beauty, what a catch.

130 quizzes, 50 finals, 10 practicals down and one to go!

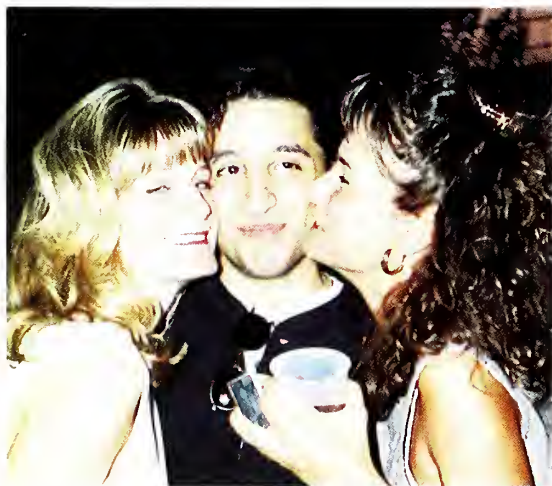

Sean's many talents include cooking for the hungry.

Future
optometrists
of America.
We're skilled,
intelligent...
and cute!

Christina & Angie, flashing their pearly whites.

So many women, so little time.

Kickin' back after monday quizzes.

Da butt-heads, no pun intended.

A little get together before Janel's "Big Day".

Jon and his recruits at the White Sox game.

Dude! The weenie's on fire!

Okay man, no kissing in public!

Five more guys and we'll have the first ICO STUD calander.

Yeah, they're all with me.

Dr. Kattouf, lick it then light it or light it then lick it?

Of course they're Cuban cigars.

Watch out for the ashes!

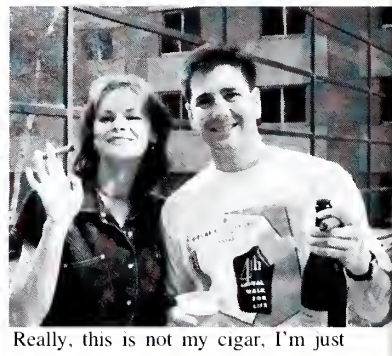

Where there's food, there's Bret.

Two cats, one bat and the Guy-in-the-hat

You gotta love that "after finals" cigar.

Really, this is not my cigar, I'm just holding it for someone else.

This is my pitching arm.

Are you sure this is the Lite beer we ordered?

Sure Ken, I'll go to Whiskey River with you. Do they play any rap music?

Mom, we were studying in the library all weekend.

Honey, I don't think this is Shedd Aquarium.

Co-ed tri-cycle racing.
Atlanta '96 demonstration sport.

Homey the clown don't play that.

These alligator kabobs are tasty.

Wasted away again in Margaritaville.

Singin' in the rain.

When I said I needed peace and quiet to study, I meant the library, not Wisconsin.

What a great skyline!

Are you sure this tent is bear-proof?

Cool! ICO babes.

May I have this dance?

Hey, shouldn't you guys be studying?

We picked her up at the biker bar.

If you smile real nice you'll get a free beer!

Where's Waldo?

ICO's Goodfella's

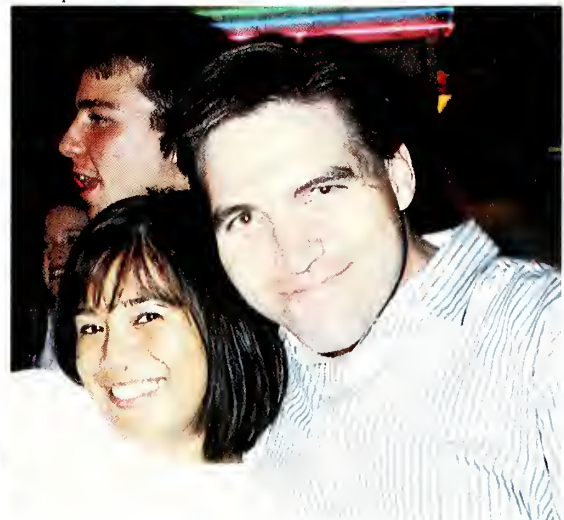

And not a drop spilled.

Ladies please! Don't touch the hair!

Hey! No open beverages in the pool!

Be careful Elaine, his eyes look pretty pretty shitty!

Ahhhhhhh, lets get ready to rumble!

I wonder how many people we can fit into this picture.

No, no Cajun! Its five parts tequilla, one part mix!

Are you really Phil Jackson of the Chicago Bulls?

Next week on the X-Files, Siamese Triplits.

Who's next, bring'em on!

This picture has:
3+ cells
1+ flare
Who says a year-
book can't be
educational.

How many grams
of fat per wing!?!

Okay everyone, smile!

Let me tell you about the "underground note service".

Wait a minute, Linda. He doesn't go to ICO!

Whew!
Study break!

Bottoms up!

Thats my boy.

...cause every girls' crazy for a sharp dressed man!

Hey Ken, what really is your p.d.?

We're sure glad ICO is landscaped or we would not have a Christmas tree this year!

Hey
Sammy!

Okay Danny, you can be in the picture too.

Our first Eye-Ball.

Christina, taking your ICO "little brother" to the Eye-Ball is above and beyond the call of duty.

Welcome to the Loveboat! I'm Jeanette, your cruise director!

When they smile this wide be afraid, be very afraid!

...she's got legs and she knows how to use 'em...

Hey guys, got any old tests?

Jason- at his first tupperware party.

Congratulations Lori & Tim, we love you!

Best wishes Sonya!

Do fries come with that shake?

Thank God we're finally fourth years!

All the best Janel! Another beautiful bride!

The Optometric Oath

Before God and this assembly,

I solemnly pledge that

I will faithfully and conscientiously administer the art and science of optometry,

I will keep inviolate all confidences entrusted to me as a practitioner and conduct all doctor-patient relationships in an ethical and professional manner,

I will place the treatment of all who need vision care above financial consideration,

I will uphold and promote the ideals of the optometric profession,

I will do all in my power to improve my knowledge of optometry and increase the extent of my contribution to the health and welfare of society,

I will render, to the best of my ability, complete optometric service,

I will do my utmost to serve my country and community faithfully, as an optometrist, as a citizen,

I will strive by action and deed to honor the title bestowed upon me this day.

With firm resolution and high resolve,

I proudly dedicate my work to the betterment of human vision and my life to the service of humanity

And may God watch over me, and keep me steadfast, in the due performance of this, my solemn oath and obligation.

If you think you are beaten; you are;
If you think that you dare not; you don't;
If you'd like to win, but you think you can't
It's almost a "cinch" you won't.
If you think you'll lose; you've lost.
For out in the world you find
Success begins with a fellow's will.
It's all in the state of the mind.

If you think you're outclassed, you are;
You've got to think high to rise;
You've got to be sure of yourself before
You can win a prize
Life's battles don't always go to
The stronger or faster man,
But sooner or later the man who wins
Is the fellow who thinks he can.

MY REDEEMER

As I look back on this road I have traveled, I see so many times He carried me through.
If there is one thing that I have learned in my life, my Redeemer is faithful and true
My Redeemer is faithful and true, everything He has said He will do. Every morning His mercies are new... my Redeemer is faithful and true.
My heart rejoices when I read the promise "There is a place that I am preparing for you."
I know some day I will see my Lord face to face,... my Redeemer is faithful and true.
In every situation He has proved His love for me, when I lack the understanding He gives more grace to me.
My Redeemer is faithful and true, everything He has said He will do. Every morning His mercies are new,... my Redeemer is Jesus Christ.
